Get some stickers made!

1. Pick a size and shape.

Stickers are measured and priced by the long side of the graphic. For example a 2x3 inch graphic would be priced as a 3 inch sticker. A 3x6 inch graphic would be priced as a 6 inch sticker. Standard shapes are squares, rectangles, and circles.

2. Give us your art.

You can upload your graphic on our website (QR code), email it to info@brickcitystickers.com, or have one of our designers put it together for you.

3. Pay for your order.

Place your order on our website (QR Code to the right), or request an invoice.
